James,

The trolley route that appears on our current map may not be the same after September. We haven't figured out what it's going to be so it may not be feasible this time.

Lorena, we are nearing the end of our sales cycle on the Map of San Pedro this year and I was thinking that the Trolley map might be the logical addition to the larger map, it could probably fit on to one panel with some slight adjustments. This will be out before Fleet Week and will be in all of the Hotels and tourist locations
